

mentorship and professional guidance to the fastest growing group of entrepreneurs.

The Women's Business Centers Improvements Act builds on their success by creating uniformity through accreditation for WBCs and increasing maximum grant levels to ensure they have the resources to meet demands for their services.

A motion to reconsider was laid on the table.

The SPEAKER pro tempore. Pursuant to the rule, the gentlewoman from New York (Ms. VELÁZQUEZ) and the gentleman from Ohio (Mr. CHABOT) each will control 20 minutes.

The Chair recognizes the gentlewoman from New York.

GENERAL LEAVE

Ms. VELÁZQUEZ. Mr. Speaker, I ask unanimous consent that all Members have 5 legislative days in which to revise and extend their remarks and include extraneous material on the measure under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentlewoman from New York?

There was no objection.

Ms. VELÁZQUEZ. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise today in support of the bill before us, H.R. 4407, the SCORE for Small Business Act.

There are nearly 30 million small businesses in the United States, representing more than 99 percent of all businesses. These small firms employ nearly 50 percent of all private-sector employees in the U.S.

The SBA administers a portfolio of entrepreneurial development programs, which includes the SCORE program. Since its inception, the SBA has undertaken efforts to connect new entrepreneurs and small business owners with more experienced businessmen and -women. This expansive network consists of entrepreneurs, business leaders, and executives who volunteer as mentors to small firms, both in person and online.

SCORE has grown to become one of the Federal Government's largest volunteer business adviser and mentoring programs. Yet, the SBA OIG found that improvements are needed to ensure SCORE minimizes risk of fraud or misuse of program funds and to strengthen SBA's oversight and the committee's ability to review the effectiveness of the program.

On July 11, 2019, our Subcommittee on Investigations, Oversight and Regulations held a hearing to examine the agency's oversight of the SCORE program. This bill is a direct result of that hearing and much stakeholder engagement.

H.R. 4407 not only reauthorizes this essential program, but it also takes steps to restore integrity, accounting, and performance to the program. Doing so ensures the program will continue to have the ability to meet the needs of entrepreneurs.

With technology enhancements and streamlined service processes, SCORE mentoring will now be accessible to business owners no matter their location.

I commend Congressman HERN and Congresswoman CRAIG for working together to make sure that the counseling and training programs are operating effectively, as well as holding SBA accountable as a good steward of taxpayer dollars.

Mr. Speaker, I urge Members to support this legislation, and I reserve the balance of my time.

Mr. CHABOT. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise in support of H.R. 4407, the SCORE for Small Business Act of 2019.

This legislation will allow the SCORE program to continue to offer business mentoring and training to thousands of entrepreneurs and small business owners each year.

The SCORE program currently includes over 11,000 volunteer mentors with expertise across 62 industries that collectively provide more than a million hours of business counseling each year.

When an entrepreneur seeks a SCORE mentor, they are purposefully paired with a business professional with knowledge in a specific field or experience facing specific challenges. This process ensures that the goals of the entrepreneur are met by the volunteer mentor.

In addition to SCORE's mentorship services, the program also offers in-person business training classes at its 350 chapter locations nationwide.

Entrepreneurs can also utilize the extensive online training opportunities and free business tools available on SCORE's national website.

Over the last 50 years, SCORE has become the Federal Government's largest business mentoring program with over 800 locations nationally and over 11,000 volunteers. Last year, SCORE mentors provided personalized guidance to nearly 140,000 clients. More than 400,000 cli-

ents attended online and local SCORE workshops.

This legislation will allow SCORE to continue to provide these important services. H.R. 4407, the SCORE for Small Business Act of 2019, adds strict safeguards to core provisions of the SCORE bill passed last year in May.

This legislation, offered by the gentleman from Oklahoma (Mr. KEVIN HERN) and the gentlewoman from Minnesota (Ms. CRAIG), also establishes strict new compliance and oversight requirements to protect taxpayer dollars and sets new outcome-based performance goals to ensure the program meets the SBA's standards and congressional intent.

These provisions will significantly increase congressional oversight of the program and provide future Congresses with additional information about the health of the program.

I thank the gentleman from Oklahoma (Mr. KEVIN HERN) and the gentlewoman from Minnesota (Ms. CRAIG) for their leadership on this and also for their very thoughtful approach to the passage of this legislation.

Mr. Speaker, I urge my colleagues to support the bill, and I reserve the balance of my time.

Ms. VELÁZQUEZ. Mr. Speaker, I continue to reserve the balance of my time.

Mr. CHABOT. Mr. Speaker, I yield such time as he may consume to the gentleman from Oklahoma (Mr. KEVIN HERN), who is the lead Republican sponsor of this legislation.

Mr. KEVIN HERN of Oklahoma. Mr. Speaker, I thank the ranking member for yielding.

Mr. Speaker, I rise in support of H.R. 4407.

The Service Corps of Retired Executives, better known as SCORE, has helped more than 11 million entrepreneurs over the last 50 years. SCORE is a nonprofit organization made up of active and retired business executives who act as mentors for entrepreneurs. These volunteers provide face-to-face counseling on business issues ranging from planning to budgeting, marketing, and financing, all of this at no charge to the entrepreneur.

As a small business owner myself, I can attest to the importance of mentorship programs like this for first-time entrepreneurs. In a country like ours, where a good idea and hard work can put you on the path to the American Dream, the mentorship of an experienced business owner can be a huge asset to a startup.

Today, there are more than 300 SCORE chapters across the country, totaling more than 11,000 volunteers. This includes a chapter in my hometown of Tulsa, which has over 40 volunteers.

H.R. 4407 will continue the success of the SCORE program by reauthorizing the funds while safeguarding the program for the future by modernizing data standards, closing loopholes for fraud, and adding important oversight

to the use of funds. These provisions will only increase the integrity of SCORE and help the program to assist even more small businesses and entrepreneurs.

All the reforms made in this bill are supported by SCORE. This bipartisan effort to invest in our small business owners and encourage more Americans to follow their dreams is a big step forward in support of the things that make our country so special.

I thank my colleague Ms. CRAIG from Minnesota for being an original cosponsor of this legislation and supporting its progress through the committee and now here on the House floor.

The passage of this bill will not only be an important moment for our country's future business owners, but it is also my first piece of legislation to pass the House. Focusing on the businesses that drive our local economies and encouraging the growth of entrepreneurship across our country has been my top priority in Congress.

Reauthorizing and strengthening SCORE is a necessary step to help grow our economy and invest in our communities, and I urge my colleagues to vote "yes" on this bill today.

Mr. Speaker, before I close today, I want to say that I really appreciate the leadership and the bipartisanship of Chairwoman VELÁZQUEZ and Ranking Member CHABOT. They do a great job with bipartisanship in their leadership. It is a great example for the people's House. I encourage all of our Members to come sit in on a meeting sometime. It might be something that they would like to see.

Ms. VELÁZQUEZ. Mr. Speaker, I have no further speakers if the gentleman is ready to close. I reserve the balance of my time.

Mr. CHABOT. Mr. Speaker, I yield myself such time as I may consume.

The simple improvements in this bill will allow the SCORE program to continue its mission helping entrepreneurs to start and grow their businesses.

With the vast majority of all businesses in the United States classified as small, it is vital that these business owners have access to effective entrepreneurial resources. H.R. 4407 would ensure that, regardless of location, a small business owner can access SCORE mentoring and training.

Mr. Speaker, I urge my colleagues to support this legislation, and I yield back the balance of my time.

Ms. VELÁZQUEZ. Mr. Speaker, I yield myself such time as I may consume.

There is no question that we need to support our small businesses across the country, no matter their location, industry, or expertise level.

H.R. 4407 does exactly that by reauthorizing a major component of SBA's entrepreneurial programs and clarifying the utilization of the volunteer base. This bill is reflective of the growth of the SCORE program, which actively engages business owners, as well as retired executives, to mentor the next generation of job makers.

Most importantly, it responds to the findings of the IG and makes strides to hold the agency and SCORE mentors accountable.

Mr. Speaker, I urge Members to support this bill, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentlewoman from New York (Ms. VELÁZQUEZ) that the House suspend the rules and pass the bill, H.R. 4407.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the yeas have it.

Ms. VELÁZQUEZ. Mr. Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, further proceedings on this motion will be postponed.

MESSAGE FROM THE SENATE

A message from the Senate by Ms. Byrd, one of its clerks, announced that the Senate has agreed to a concurrent resolution of the following title in which the concurrence of the House is requested:

S. Con. Res. 27. Concurrent Resolution providing for the use of the catafalque situated in the Exhibition Hall of the Capitol Visitor Center in connection with memorial services to be conducted in the House wing of the Capitol for the Honorable Elijah E. GENERAL LEAVE

Ms. VELÁZQUEZ. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks and include extraneous material on the measure under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentlewoman from New York?

There was no objection.

Ms. VELÁZQUEZ. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise in support of the bill before us today, H.R. 4387, which establishes the Growth Accelerator Fund Competition within SBA.

Accelerator programs provide founders of early-stage companies with education, mentorship, financing, cohort-based training, and technical assistance. There are many accelerator success stories. Among them are well-known companies like Airbnb, Dropbox, and Stripe.

The SBA funds the Growth Accelerator Fund Competition for the Nation's most innovative, diverse, and promising small business accelerators and incubators. It was created in 2014 to support small business job creation by giving early-stage entrepreneurs opportunities to immerse themselves in an intense learning environment.

Monetary prizes of \$50,000 to each of the winners go a long way towards supporting the development of accelerators and incubators.

Not only does the Growth Accelerator Fund Competition spur economic development and create jobs, but most importantly, it supports innovation in economic areas that are outside of what we have come to think of as traditional coastal tech hubs.

It supports places like the industrial heartland, where barriers to capital access have hindered entrepreneurs. The program also has a proven track record of investing in women and minority entrepreneurs.

The legislation will authorize \$2 million in funds, annually, for 4 years, to
